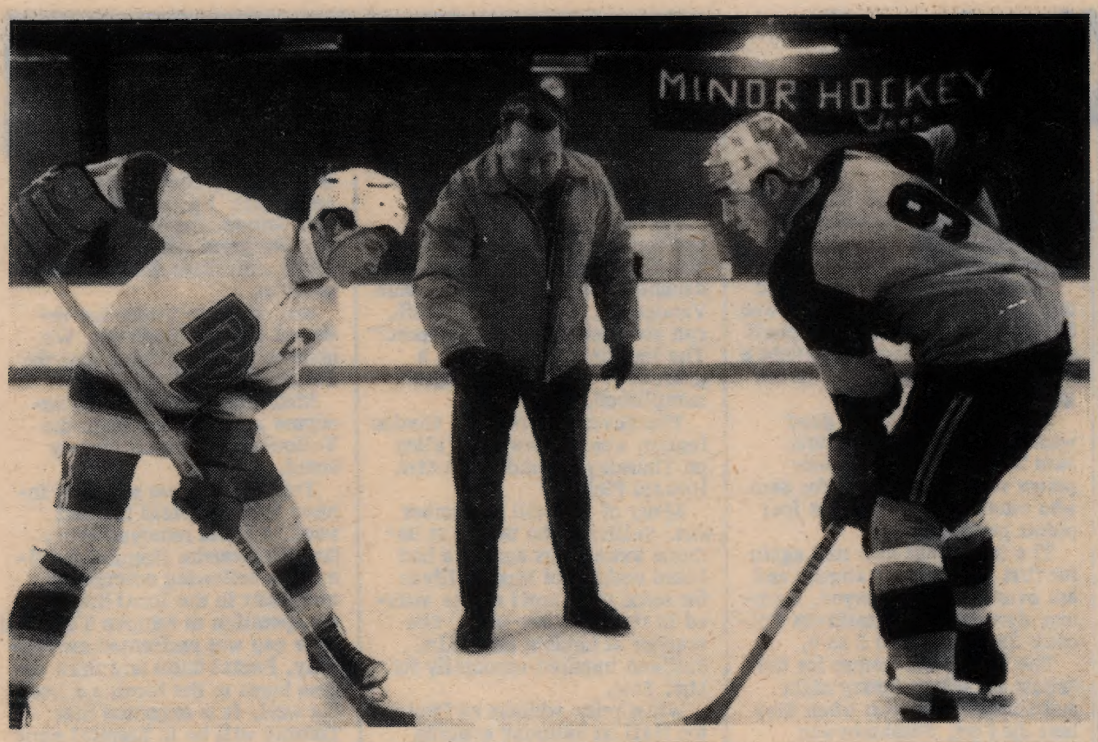
THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, JANUARY 27, 1971



Mayor Lloyd MacLean is shown above dropping the puck to get the first game underway to launch Minor Hockey Week last Saturday morning. Games featuring minor hockey players will continue every night this week culminating with the presentation of awards during Saturday's game between the senior Rebels and Fort Saskatchewan Huskies.

Minor Hockey Week Continues to Saturday

Minor Hockey Week in Drayton Valley got off to an exciting start on Saturday, January 23rd, with a four team tournament at the Bantam level. The teams involved were the Drayton Valley League All-Stars, Barrhead, Stony Plain and the Burrows Motors Challengers. The Challengers won the tournament by easily defeating Barrhead and then outscoring Stony Plain 6 - 3 in the final.

Sunday the Midgets took over and again a four team tournament was presented with teams from Onoway and Devon and the two Drayton Valley teams, the Junior Rebels and the Clippers. The Clippers won this one with a 5 - 1 win over the Rebels in an action packed final game.

The Minor Hockey Week action continues throughout the week with the Mity Mites playing on Monday, the Mites on Tuesday, the Pee-Wees of the Town League on Wednesday, the Town League Bantams on Thursday and the Pee Wee All-Stars on Friday. Games start at 5:00 p.m. each night and continue until the tournament is completed. Saturday features Midget and Juvenile League hockey with the Rebels and the Fort Saskatchewan Huskies meeting in a regular N.C.A.H.L. game at 8:30 p.m.

Parents keep in mind that this is Minor Hockey Week. Bring your boy to the arena and stay to see him play. He needs your support. Make Minor Hockey Week a family affair.

Present Trophies At Game Supper

Annual game supper and presentation of trophies by the Pembina Oilfield Fish and Game Association was held last Friday evening in the Elks Hall.

A good crowd was present for the popular event that got under way with a delicious supper that ranged from rabbit stew to antilope cutlets, with an enormous variety in between.

Presentation of trophies for animals, fish and game birds followed with club president, Ken James as master of ceremonies. Presentations in the various classes were made by committee chairmen Dave Schmidt, Big Game; Mike Karach, Birds; Rusty Kirkup, Fish; and Joyce Karach, Membership.

Winners were as follows: John Law, Elk trophy, sponsored by Al's Sports Shop; Bill Roos, White tail deer, sponsored by the Dairy King; Bill Roos, mule deer, sponsored by M and R Trucking; George Hart, grouse, sponsored by Twilight Bowl; Tom Feschuk, pike, sponsored by Kelly's Pump Service; John Wespinski, pickerel sponsored by Coin Electric, Bob Mayhew, grayling, sponsored by Mayhew Motors; and Angela Sowada, trout, sponsored by the Drayton Valley Hotel.

No entries were received for the moose trophy sponsored by the Western Review; non-typical white tail deer, sponsored by Kelly's Pump Service and non-typical mule deer, sponsored by Big Bend Express.

Joe Bartek received a plaque for selling the most memberships and a certificate and set of cufflinks were presented to Dennis Malo for his efforts that were instrumental in construction of the club's rifle range.

Poor Attendance Cancels Meeting

Annual meeting of the Drayton Valley and District Chamber of Commerce fell flat last Thursday evening when a total of four members turned out. Another attempt to hold an annual meeting will be held later.

THREE NEW RABIES CASES JANUARY 18

A report provided this week by the Alberta Health of Animals Division indicates 23 positive cases of rabies in the province since January 1st, 1970.

Closest reports to the Drayton Valley area were a cow at Ponoka on January 15th, a dog at Rocky Mountain House December 31st and a cat at Sylvan Lake on December 14th.

The 23 positive cases include seven dogs, seven coyotes, seven cows, one porcupine and one cat. Positive reports come from a wide area of the province as far north as High Level, west to Rocky Mountain House, south to Medicine Hat and east to the border.

The three latest cases reported January 18th, were coyotes at Olds and Marwayne and a cow at Bashaw.

Teachers Meet In February

"The Optimum School Environment: Room to Grow" is the general theme as 2,400 teachers from 11 Alberta Teachers Association Local gather in Edmonton on February 10, 11, and 12 for the North Central Alberta Teachers' Convention at the MacDonald and Chateau Lacombe Hotels.

Approximately 60 speakers and panelists will address the main convention theme.

Special displays, tours of schools and industrial sites and various social functions are also planned.

Teachers will be attending from the following areas of the Province: Barrhead, Edson, Lac Ste. Anne, Leduc, St. Albert, Stony Plain, Strathcona, Sturgeon, Westlock and Wetaskiwin.

Progressive Conservatives Hold Policy Convention in Calgary

Progressive Conservatives from across the province met in Calgary last weekend for a policy convention that had 1776 registered delegates in attendance. Fifty-six nominated candidates for the next provincial election were present and introduced to the gathering.

Drayton Valley Constituency was represented by candidate Rusty Zander and constituency association president Al Chesterman.

Recommendations from the convention will go now to the platform planning committee for revision and will again be considered at a later candidate convention.

Candidates all received committee assignments at the weekend meeting with Mr. Zander named to chair the Approach to Welfare Committee. He also served on the Natural Resources Committee.

Mr. Zander has been concerned with administration of welfare for some time and was instrumental in preliminary work toward social preventive services in the area.

"The $80 million paid in welfare," he said, "can be cut in half."

Plans to pare welfare costs prepared by his committee include a departure from present administration from cities with municipal organizations playing a larger role in welfare decision. His group visualized local committees, familiar with conditions for the particular areas, looking into welfare applications and attempted to remedy conditions as well as providing assistance.

The Natural Resources Committee is looking to ways to provide Albertans with a greater share in development of natural resources. The committee's plan calls for fifty-one percent ownership by Albertans of new industries utilizing the provinces resources with residents of the province getting first chance to subscribe to new endeavours.

Other aspects of the Tory policy were reviewed at the convention including the promise to remove the social services levy--education, hospitals, etc. -- from the property tax.

All the newly-elected candidates were given the opportunity of meeting people present at the convention and were later introduced by Leader Peter Lougheed. Each had the opportunity of speaking briefly to the large gathering.

Council Approves Paving Program

At the regular meeting of Town Council held January 14th the subject of next summer's paving program was discussed at length and members agreed to a decision to seek approval from the Local Authorities Board to borrow the amount required for the project.

Town Engineer, Bill Tuttle outlined the proposed program that will cost an estimated $255,917. Paving portion will cost $202,120; mono sidewalks, $14,260; asphalt curbs, $13,545; and the balance engineering and contingencies. Advertising the actual areas will follow L.A.B. approval.

The matter of Sunday morning sports was again introduced and tabled. Members of council were hesitant to take any steps on the basis of information received at the time of the meeting. The matter was introduced by the Ministerial Association, followed by the Lions Club and letters from two individual citizens.

It was pointed out that the members of four minor hockey teams and a few figure skaters) are involved in the Sunday morning program and that six hours, from 6:00 a.m. to noon, are urgently required in the tight arena ice-time schedule.

Council approved a request by the Seventh Day Adventists Church for permission to sell literature door-to-door in the town.

Appointments approved by Council included White, Trott and White as solicitors for the town; Quilliam and Stuart as auditors; and W.G. Johanneson as census taker for 1971.

Recreation Director, Mike Gormley reported to council on a variety of recreation matters. He outlined a proposal by Mr. Darwin Park, Provincial Government Youth Representative for office space in Drayton Valley two days a week. Mr. Gormley noted the advantages to the town in having a representative of the provincial government here to enable the community to utilize the provincial program to its fullest extent.

Council agreed to the use of the office in the Recreation Department two days per week by Mr. Park.

Bids for the town insurance coverage were received from three Drayton Valley firms and the low bid of Parkland Insurance Ltd. in the amount of $3,688, accepted.

The matter of an E.M.O. Coordinator for the town was introduced and it was decided that rather than appoint a member of council, an attempt be made to determine if someone else in the community would accept the position.

United Church Meeting Planned

The annual congregational meeting of the Drayton Valley United Church will be held on Sunday, January 31st immediately following the morning worship service. A light lunch will be served. This is a very important meeting in the life of the congregation as several important decisions will have to be made with regard to the future of the church in Drayton Valley. Dr. Howie Mills will be present. All members and adherents of the United Church are urged to make an effort to attend.

The United Church Women will be having their annual supper on Thursday, February 4th at 7:00 p.m. in the church basement. A delicious smorgasbord supper will be served, followed by an entertaining evening of fun and games. Any ladies having "penny bags" are asked to bring them along at this time. Tickets are available from Marilyn Boles 542-3059 or members of the U.C.W.

Mothers Plan Annual Banquet

The Cub and Scout Mothers Auxiliary held a meeting January 20th with 6 members and four members of the executive present. The meeting was to discuss the Father and Son Banquet for Cubs, Scouts and Venturers. It will be held at the Elks Hall on February 22nd at 6:30 p.m. So fathers, please turn out and bring your sons.

An invitation is also extended to members of the Group Committee.

Rebels Drop Two Weekend Games to Westlock Eagles

By DOUG BARNES

The Westlock Eagles proved over the weekend that they belong in N.C.A.H.L. by upsetting the league leading Rebels 4 to 3 Saturday night and 9 to 5 Sunday.

Henry Hodgson started the scoring in the Saturday game at 7:29 of the first period assisted by Sam Belcourt and Frank Roggeveen. Westlock replied at 16:45 with a goal by Leo Provencal and again at 18:10 a goal by Bren Scoggins. The first period ended Westlock 2, Rebels 1.

The only goal scored in the second was by Rebels Jim Feeney at 6:41 assisted by Frank Novosel. Second Period ended tied 2 to 2.

Westlock broke the tie at 8:00 of the third period with Leo Provencal's second goal of the game. The Eagles scored what proved to be the winner at 14:10. Henry Hodgson picked up his second goal at 19:46 assisted by Sam Belcourt.

The Rebels pressed the Eagles all the way through the third period but goal-tender Fern Proulx of the Eagles made some great saves. Rebels out-shot the Eagles 14 to 9 in the third period and 44 to 33 in the game. Twelve penalties were handed out by Referee's Ernie Bank and Sam Panchyshy. Seven to the Eagles and five to the Rebels.

In Sunday's game the Rebels started out strong. Scoring their first goal at :50 seconds by Terry McGowan from Henry Hodgson and Frank Roggeveen. Fern Proulx proved to be the big man for the Eagles again. The Rebels kept the puck in the Westlock end for the first 8 minutes of the first period. The Eagles scored their first at 9:09 by Terry Rimmer.

At 9:55 Henry Hodgson scored assisted by Sam Belcourt and Terry McGowan. This ended the scoring for the first period.

At 6:05 of the second period Dan Davie, showing the good skating he is capable of, went from his own blue line through the Westlock defence and with a good hard wrist shot put it by goal tender Fern Proulx. Dan's goal assisted by Wayne Garding.

Westlock's Leo Provencal scored at 6:40. Sam Belcourt picked up his first of a 2-goal day at 13:42 assisted by Henry Hodgson and Ron Hemmingway. Westlock replied at 15:10 by Wayne Rimmer. The period ended Rebels 4, Eagles 3.

In the third period Westlock went on a scoring spree, scoring 6 goals to Rebels one. Rebels only goal came from Sam Belcourt at 15:39 assisted by Henry Hodgson and Frank Roggeveen.

The Rebels really fell apart in this period. The Eagles out-skated and out-shot them badly. The Rebels seldom have a bad third period so I guess they were due to have one on Sunday.

Eleven penalties were handed out by referee's Eric Paterson and F. Boychuk. Seven to the Rebels and four to Westlock. The Rebels out-shot the Eagles again in the game 39 to 33.

Henry Hodgson had a good weekend picking up 6 points. Sam Belcourt picked up four points which is not good for Sam who usually picks up about four points per game.

The Rebels are now tied again for first place with Camrose and are even in games played. Camrose shut out the Wetaskiwin Colonels Saturday night 5 to 0.

The next home games for the Rebels are this Saturday night and Sunday afternoon when they host the Fort. Saskatchewan Huskies.

All games from here on are real big ones for the Rebels. The Westlock Eagles are now only 8 points behind the Rebels and the Maroons.

As a wind up to Minor Hockey Week this Saturday night the Rebels are admitting any Minor Hockey player free if wearing his hockey sweater. This applies to the surrounding area also.

The most valuable player awards for Minor Hockey Week will be given away between the first and the second period of the Rebels-Huskies game

The following league standings include Sunday, January 24th games.

D. V. Highlights

By MRS. EDITH DEBY

Mr. and Mrs. Fred Duckett had the most delightful of surprises last week when their daughter, Emily, sent word from Vancouver, "I've four days off, can you meet me at the airport?" The four days flew by with a great deal of visiting being accomplished.

The Reverend and Mrs. Gordon Ingram were in Drayton Valley on Thursday to lunch with Mrs. Howard Pickup.

Many of you will remember Mrs. Sullivan who taught at Ramona some years ago. We had heard nothing of Mrs. Sullivan for some time until a note arrived in the mail last week. She teaches at Lindale now. Mrs. Sullivan inquired especially for Mrs. Law.

Whist prize winners at Dunington Hall on Saturday evening were: High - Mrs. Vernon Bartlett and Mr. Leonard Brennan. Low - Mrs. Hewlitt and Mr. Albert Grinde. Dunington Hall is now equipped with an oil stove which simplifies the heating problem.

Mr. William Tuttle has resigned as Town Engineer. We hope this doesn't mean that the Tuttles will be leaving.

Mrs. Howard Pickup has accepted an appointment to the Yellowhead Regional Library Board.

Tom Tucker was seriously injured in an oil field fire last week. He was removed to the Royal Alexandra Hospital in Edmonton following emergency treatment in the local hospital. An operation to remove Tommy's knee cap was performed successfully. Facial burns and third degree burns to the hands are healing well. It is expected that Tommy will be in hospital some time.

Airport Development

By Don Vanstone
Industrial Development Co-ordinator

Early December was the last time any information concerning the airport was publicized. In the following interval several steps have been taken that are of interest to the community.

The last official town action was to agree to a plebicite. A subsequent meeting was held with representatives of all interested parties. It was suggested by several people present that the town delay the plebecite until all estimates were firm quotations. Representatives from the Department of Transport explained the delays they were experiencing and offered their opinion that official approval would not be forthcoming until early spring.

Members of Council and the airport committee have used the delay to contact the County and make representations to gain approval for the site, have the area properly zoned, and to have the County make the necessary presentations to the Edmonton Regional Planning Commission.

The County has also been approached in regards to contributing to the cost of development of the airport. A tentative agreement has been reached, subject to the county receiving some information from the Department of Transport.

Federal approval is now awaited. The latest information from the Department of Transport (as of January 18th) concerns some factors that are affecting the processing of the application. The Federal Government is changing the policy of airport assistance. Draft revisions were made in December and the first of three meetings was held on January 15th to formulate the new policy. There is a possibility the approval being sought will be withheld until the new policy becomes effective.

It is not known, at present, what bearing the new policy will have on the local endeavor.

April 1st is the start of the fiscal year for the Federal Government. We may find that our approval will be withheld as a matter of course until the new budget comes into effect. In any event we will make the best possible use of the delay to strengthen our proposals.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

The business of making and changing laws usually follows a ponderous pace -- especially in a fast-changing society.

Legislation lags behind changes in popular attitude and politicians move cautiously and only when it is obvious there is a demand for reform.

But when there is an election on the horizon, a government tries extra hard to refurbish its image and prove through legislation that it's in tune with contemporary needs.

Alberta's 35-year-old Social Credit government headed by Premier Harry Strom is no exception. Its legislative package for the session opening February 11 contains a few plums expressly designed to attract votes.

Specifically, the idea of lowering the age of majority has been debated for years across the continent. Some governments have moved to give more responsibility to younger adults, and now Alberta appears set to join them.

Attorney-General Edgar Gerhart armed with a year-old report on the implications of lowering the age of adult responsibility, appears set to support a bill establishing 18 as the legal age in Alberta.

The bill would reduce the provincial voting age by one year, the drinking age by three years, and the contractual age by three years. Such a move could add a maximum of 35,000 young voters to the electorate.

The change, coming only months before an election, will probably provoke cries of political opportunism on both sides of the House. The fact is, however, that the age reduction enjoys broad popular support and neither Socred nor Tory will make much political hay out of it.

In addition, MLAs will be asked this winter to wipe out what the government believes are expensive anarhronisms in the Alberta Liquor Act.

Illegal possession of liquor and public drunkenness will be largely abolished, freeing Albertans from petty offence charges which clog the courts and cost the provincial treasury dearly to administer. For example, it costs about $9. a night to house an individual in a provincial jail.

Continuing relaxation of laws governing alcohol consumption should lead to house support for a bill permitting small restaurants to serve beer and wine with meals for the first time.

There is also a strong likelihood that the Strom government will produce other legislation of a minor nature to reflect changing social conditions.

But one bill which won't hit the Legislature this year is legislation introducing Daylight Saving Time to Alberta. All other Canadian provinces permit DST, but Mr. Strom has promised there will be no change here until voters approve it by plebiscite.

And with typical caution, the premier has told the electorate the DST issue will be put to plebiscite at the next election to see if a majority of Albertans support the measure.

LETTERS TO THE EDITOR

To The Editor
The Western Review
Drayton Valley

To the people, Town of Drayton Valley.

I appreciate your concern over dogs running at large in the town, and I am striving to do my utmost in bringing this problem under control.

But we need the help of every conscientious citizen concerned.
1. By obtaining your current license for the year, putting it on your dog as this is a means of identification.
2. Keeping your dogs under proper control at all times by means of a leash or chains fastened to something solid.
3. Assisting your local dog catcher in the performance of his duties instead of trying to intimidate him with threats of violence etc., as he has a job to do that, I feel, not one of any of those concerned would have for more than one week.

Report From Parliament Hill

By Allen Sulatycky, M.P.

REAL INCOME AND UNEMPLOYMENT

In the Budget Speech in December the Honourable Edgar Benson opened his remarks by stating that the Government's first economic objective is a steady and substantial improvement in the real income of Canadians everywhere. This requires both controlling prices and encouraging employment opportunities.

The international organization known as the Organization for Economic Co-operation and Development has twenty-two member nations. In the year ending September 30th, 1970, Canada had the lowest consumer price increases of any except for Finland. Consumer prices in Canada rose by only 3%; twenty of the twenty-two nations of OECD had larger consumer prices increases -- in the United States it was 5.7%, almost double that of Canada.

One result of the Canadian Government's excellent price control performance, which excelled all other industrial nations in this past year, is that 1970 will go into the records as Canada's best year ever in international trade. Our merchandise trade surplus will be approximately two and three quarter billion dollars. This in turn has strengthened the Canadian dollar in exchange markets.

Both inflation of prices and high unemployment are our enemies. As the Prime Minister stated a month ago, with consumer prices now coming under control; our position on the world market at its best ever, full concentration will be placed on programs to generate increased employment.

Among the most important increased actions recently taken by the government of Canada are:
1. An increase of $350 million to the provinces to cover accelerated transfers of tax revenues, payments of technical and vocational school grants and equalization payments.
2. $73 million for expanded social assistance programs.
3. An extra $100 million to C.M.H.C. for an additional $15,000 housing units for low income areas.
4. A special program of $60 million on special projects in regions of slow economic growth and manpower retraining.
5. A monetary policy to encourage a lowering of interest rates, which is now getting results.
6. An immediate increase of 10% in Unemployment Insurance benefits for January 1971 to June, funded by a special grant of $54. million.
7. A new special fund of $150 million from which municipalities may get favourable interest rates on long-term loans to undertake additional job-creating public works.
8. An additional sum of $23 million to the Federal Govemment's own departments and agencies to undertake capital improvements in areas where unemployment is most severe.
9. The provision, one month ago, of a further $40 million to Central Mortgage and Housing Corporation (in addition to the extra $100 million under item 3 above) for modest income housing in areas of greatest housing and employment needs.
10. Increased incentives to the private sector by new Regional Development grants (Bill C-205 recently made law) which will use an additional $130 million of public money now to stimulate the private sector and job creation.
11. $60 million to aid the Canadian ship-building industry.
12. Aid for footwear companies who need to restructure their operations. Both ship-building and footwear are high labour-using industries.
13. Old Age Income Supplement increase to combined total of $155. per month for individuals and $255. for couples, now law, to begin in April.
14. Increased family allowances for families under $8,000.00 income.
15. An additional $25. million to increased Veteran's pensions in 1971.
16. $100 million to stabilize incomes of grain producers.

I list the above for one main reason. To remind my constituents that income level and unemployment is, in the Govemment's opinion, the most urgent problem in Canada now. And something is being done about it.

Warriors Squeeze By St. Albert

The top and bottom teams of the North Central Western Conference High School Basketball League, Drayton Valley and St. Albert met at the Frank Maddock High School last Friday in an exciting and spectator-pleasing game.

The local Warriors led all the way but were hard-pressed throughout the entire game as they led 12 - 11, 24 - 19, 40 - 33 and 49 - 45 at the quarters. St. Albert outscored the local high school 16 - 9 in the last quarter as the Drayton team held on mainly due to some great backboard work by Ken Dusterhoft.

The Warriors came up with their poorest shooting performance of the season as they hit only 9 of 51 shots in the first half and 10 of 46 in the second for a weak 17% average. They also only hit 49% on the foul line.

The Warrior coach feels that it was due to a very demanding practice two days before the game and as anti-climax to the Concordia College victory the week before. He feels the team will be back and hungry as they travel to Salisbury High School this Friday night to do battle with this excellent 'A' school team.

A victory here would all but cinch the league title but a defeat would mean the necessity of victory when Concordia returns to Drayton in the middle of February.

On the scoreboard Doug Ibbotson and Barry Swap hit for 13 and 11 points respectively. Rookie Danny Wickland playing his first game in senior company did a commendable job and hit for 6. Another young Warrior, Gerald Dusterhoft started the game off for the Warriors with two beautiful jump shots that proved to be the margin of victory at the end.

The St. Albert five showed a lot of hustle and spirit under their new, youthful and expressive coach and are a definitely up and coming club. Leading the St. Albert team were Lawrence Scheindler, their 6 foot 4 inch center, with 10 points; Don Kennedy with 8 and Doug Reinbold with 8.

This was the Warriors fifth straight victory and their eleventh out of fourteen this season.

Datsun 1600 gives you a powerful good feeling

If you only drive the Datsun 1600 around town, you may never find out what you've got.

Sure, it's a great city car. Compact. Handy. It zips through traffic, parks in impossible slots and squeezes up to 35 miles from a gallon of gas. But that's not all it is. Not by a country mile.

Find yourself a country mile and see.

There's a high-performance 1600 cc overhead cam engine lurking under the hood. 96 hp. 100 mph. Let it loose, and feel the way the Datsun snugs down to the road as you go through the box. And feel the way it hangs on as you snake through the bends. Drive it fast and just feel good.

Then take a look at the package all this goodness comes in.

Two doors, four doors, or a wagon, 4-on-the-floor or 3-speed automatic transmission. Contoured bucket seats, all independent suspension, collapsible steering column, flow-through ventilation, heater, defroster, headrests, harnesses, the works. No other economy car is as safe, powerful and comfortable as the Datsun 1600.

When you've wrung out the Datsun 1600, take it back to the dealer and have him quote you the price just one more time.

That will give you a pretty good feeling, too.

SEASON OPENS

The Brian Hansen and Alan Day coached Little League Pistons came home with a 13 - 2 opening season league victory over the 76'ers. The Edward Lynch coached, Celtics captured an exciting 11 - 10 overtime win to share first place with the Pistons.

Dale Luc and Ricky Zorn with 4 points each led the Pistons in their win and David Darragh hit for the 76'ers with two points. The Pistons held a narrow 4 - 2 lead at the half but ran away with the game in the second half. The 76'ers were playing without their number one man, Lee Hodgson who is recovering from injury.

The Celtic - Laker game was an exciting see-saw affair with Don Jevne forcing the game into overtime with a last minute basket for the Celtics and then won the game for them with an overtime foul shot. Don Jevne led both clubs with an excellent 7 point performance. Also showing well for the Celtics was Mark Berlinguette.

Young Ronald Barker showed some good play and sharp shooting for the John Oman coached Lakers. Also, Grant Ellery and Lynn Mattoon played well in this one for the Lakers.

MAGNOLIA NEWS

Whist parties have begun again in this community with the first one being held at Dean and Betty Strangway's on Friday, January 15th. Enough folks came to play to make up six tables. Ted Rimmer won first for the gentlemen. Cecil June won second. Garth Manchester won the travelling prize while Christ Christensen won the consellation prize. Noella Rimmer's sister, Ida, won the first prize for the ladies with Marie June the lucky second winner. Brenda Walker won the travelling prize and Ruby Brown got the consolation prize. The next whist party will be held at Cecil and Marie Junes on Saturday, January 30th.

Everyone will be pleased to read that Mary Reich's mother, Mrs. Lookyonewk has recovered enough to leave the hospital and recover at home.

Word has been received that our former residents Mr. and Mrs. Roy Strangway have moved into their new home in Victoria, BC. A house warming party was held for them by several new neighbours and relations.

The three Strangway boys, Marvin, Keven and Rodney enjoyed the Ice Capades with the Sundance 4-H Club in Edmonton on Saturday, January 16th.

Art Campbell spent January 17 visiting in this community before returning to his work in Fox Creek.

Tomahawk Beef Club Holds Regular Meeting

The Tomahawk 4-H Beef Club held its 3rd regular meeting on January 12th at the home of Mr. and Mrs. T. Reich.

The Regional 4-H council meeting held a few weeks before to which four delegates were sent was discussed.

Club leader, Dave Case, a member of the adult committee, Mr. Harold Strocher, and two members, Bob Enjeneski and Fred Gruber attended the meeting.

A discussion was held on a misunderstanding by which 10 year old members were not classed as true 4-H members but only as Pee-Wee members. It had been thought that this was a new allowance by the 4-H clubs as a general understanding. We received a letter telling us this was not the case. Now what to do with our 4-H Pee-Wee's? We decided to let them continue with the club but not showing them on Achievment Day with us. There were suggestions to the effect that we hold our own little side show on achievement day and have the club judge and buy a trophy for them unless of course any of the other clubs also have a few Pee-Wee's so that we could have inter-club competitions in that class.

Public Speaking was discussed. It was asked how many going to take part and if any had started work. We decided to hold our first practice January 26th in the Tomahawk Hall.

It was decided to curl every Sunday as of January 17th. All interested were to be there 1:00 p.m. to pick teams and to curl against organized teams.

Last on the agenda was the club outing, a suggestion was that we try Sylvan Lake again since we were rained out last year. The members were asked to think about it for discussion next meeting.

One our our members, Ivan Pryor, is in the Royal Alexandra hospital in Edmonton with a leg injury. We hope you are out soon Ivan.

BUCK LAKE NEWS

Not too many attended the meeting concerning curling. There will be no Ladies Curling, as there are not enough ladies interested to make up the teams. There are sisteeen teams curling in the mixed round robin.

Mr. and Mrs. Ray Battineau of Thorsby spent a week during the holidays with their daughter Mavis and Doug Patten and family.

Happy holidays and a safe return to Mrs. Sophia Zekonja, who left for Poland January 5th to visit relatives and friends there. She plans to return after a stay of six weeks.

Mrs. Freda Jason spent a week in hospital in Leduc. Mrs. LeOpal Larsson was teaching in her place during that time. Ed and Freda Jason had both their sons home for Christmas, one from Camrose and the other from Edmonton.

Edie and Michael King left for Prince George before New Year's to visit her brother there and they are both hoping to find employment there.

Jim Foster was at home on the weekend from his job at Cynthia.

Happy anniversary to Pete and Kathleen Kiss on Tuesday, January 26th.

There was a free movie at the Recreation Centre Wednesday, January 13th at 2 o'clock with a rather small attendance due to the cold weather. The movie was very good, starring Hank Williams, Junior in "A time To Sing". Members of the executive of the U.F.A. Co-op were there with Ken Odegaard as host. Coffee and cookies were served and a door prize of one case of anti-freeze was won by David Willows, of Pendryl. Ken is leaving the Co-op, and Mr. and Mrs. Jim Bannock of Calgary will be taking over on January 25th. They will be living at Anderson's Cabins for the present time.

The Buck Lake Teachers attended the Teachers Institute in Wetaskiwin on Friday, so there was no school for the pupils of County #10 that day.

Patsy Kellgren of Drayton Valley visited her parents, Nick and Edna Wasyk on the weekend, as Arvid is working in the north.

Mrs. Harold Odegaard, of Parkside, Saskatchewan has been visiting with Ken for several weeks and helping out at the Co-op.

Wes and Betty Bouck motored to Camrose and Mulhurst on business last Saturday. The road conditions were still quite slippery.

Kathie Bouck was a guest of Prefontaines to Ice Capades in Edmonton on Sunday January 17.

Visitors at the home of Mr. and Mrs. Nick Paananen on Boxing Day were her brother, Mr. and Mrs. Wm. Flinkman of the Brightreid District, her sister Mrs. John Hill of New Westminster, B.C. who stayed for a few days and Mr. and Mrs. Frank Palecheck, of Usona, Alberta. At fishing time, visiting there was Albert Fabler, of Brightview, Frank Palechek of Usona and Mr. Allan Shantz of Ponoka, who stayed with them.

The Buck Lake Pee Wee Hockey Team has not been able to practice recently due to the mild spell causing water on the ice, followed by snow and colder weather, so at time of writing, the rink is in rather rough shape. Coached by Mel Dawson, the Pee Wee's consist of the following boys: Joey and Peter Miller, Jerry and Gred McKay, Dean Krypta, David and Darren Dawson, Glen Rainer, Andy Schenk and Leonard Larsson.

A big thank you to Mrs. Lempy Paanenen and to Mrs. Elsie Glasel for contributing the Nabob Coupons.

HOW TO BE A WARM WINTER SPORTER:

Winter sports can be great but our Alberta winters can get very bitter. Cold weather plus a wind chill can make the new and very popular sport Snowmobiling, very chilly. Warmth and comfort for snowmobilers requires specially engineered clothing.

Snowmobile clothes for above zero: A 2 piece wind-proof and water-proof suit plus lined boots, thermal socks, mitts, ear protecting toque and helmet -- all that should keep you warm.

Below zero: a one piece suit plus thermal underwear and some face protection. Add extra socks and sweaters.

Selection of Quality Clothing:
- price is a reasonable guide. Construction may not necessarily be better in the higher range but styling may be more advanced.
- suits should have a nylon shell, linings are generally Orlon
- the abrasive and water resistant qualities of fabrics are important. Canadian woven nylon is tested to accept a test of 30 pounds of water pressure per square inch. Some imports fall below this requirement especially after dry-cleaning. Always check the tag or ask the clerk about the suits wearing qualities.
- quality checks include double stitching around the zipper and strain points, interior seat and knee patches, large zipper overlaps, underarm ventilation eyelets.

Boots: boots should have heel saver, reinforced heel and back, sufficient tongue length for protection.
- the boots should have no-skid soles for better balance.

Sizing and Fit: the snowmobile suit should always be tried on before purchasing.
- movement and manoeuvring should be easy and there should be enough room so air can circulate freely to keep warm.

Now all you need is a snowmobile. Next week an article on ski-wear.

NEWS NOTES FROM THE D.A.

ADVISORY COMMITTEE

There are several people in our Agricultural district that are community minded people and are doing a great deal of work in order to improve the agricultural conditions. We wish to make you aware who these people are. The reason for this is only partly so you can gripe at them if things go wrong. Criticism is excellent, but not if it stops there. It must be constructive.

Make these people aware of the problems that exist but also suggest ways you feel they may be solved. We cannot guarantee solutions but if we are aware of the problems, we will make every effort to ease the situation.

Your Agricultural Advisory Committee members from east to west are: Mr. Arthur Hennig, Golden Spike; Mrs. Walter Minchau, Woodbend; Mr. Earl Nelson, Spruce Grove; Mrs. Harvey Wild, Winterburn; Mrs. Henry Scholecker, Holborn; Mr. Eric Van Breemen, Stony Plain; Mr. Philip Jungwirth, Carvel; Mrs. Lindsay Porter, Keephills; Mr. Leo Saretsky, Entwistle; Mrs. Eric Gardener, Sundance; Mr. Dave Jouan, Tomahawk; Mr. Dave Case, Tomahawk; Mr. Otto Guze, Drayton Valley and Mrs. Bill Robinson, Drayton Valley.

EVANSBURG NEWS

After all the cold weather we have been having, the last few days of warmer weather have really been a boon. All the snow falling down is making it harder and harder to find a place for our village to put it when clearing the streets.

Among all those taking in the Ice Capades last week were two groups of young people -- a bus load of 4-H members took in the show on the Wednesday and on the Thursday, a bus-load of teen town club members went in to see the ice show.

The Evansburg Village Chamber of Commerce held its regular meeting in the hotel banquet room on January 18th.

The 16A 4-H Tractor Club held its regular meeting on the 19th, this time leader, Mr. Mike Mazeppa had other commitments on the regular meeting night.

The Beef and Field Crops members held their regular meeting on the second Friday of the month. Main topic of discussion was money-raising projects.

So far this new year, there has been no Cub Pack meetings as the weather man just has not cooperated. The first meeting was cancelled because of cold and the second because of the extreme icy conditions of the roads.

Hockey games have been taking place regularly in the arena. The last game to take place was one between the Evansburg Girls' Hockey Team and the Edson Girls' Hockey Team. Our girls lost the game, but everyone, including the spectators, had a very good time.

And now here's wishing good luck to all those students who are writing final exams this week.

Also, here's wishing continued health and a quick recovery to Mr. H. McGowan who is home after a very lengthy stay in an Edmonton hospital.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

This week let us meet Mrs. Belinda Sawchyn, one of our grade three teachers. Mrs. Sawchyn comes to us from Saskatoon. She attended school and took her teacher training there. She taught for a year in Saskatchewan before coming to Drayton Valley. Mrs. Sawchyn enjoys fishing and is a dog lover. Her husband is on staff at the Junior High.

We are having our usual problem of excess mittens, scarves, boots etc., which children will not claim. They are on display in the main hall in front of the office. Can you spare a few minutes during the next week and look them over to see if any belong to your children?

Skating dues collection at the rink was discussed. It was decided that if the dues weren't paid within 2 weeks more drastic measures would have to be taken.

Due to the Christmas day fire at the Lemke home it was decided that a benefit dance would be held on February 20th. Come out and support this worthwhile cause. The Pembina Valley Ramblers will be playing.

A leaders' and instructors' meeting will be held at the Recreation Center on January 28th at 2:00 p.m. to set up classes for this winter.

The day set for the annual meeting of the Tomahawk and District Club is March 2nd at 8:00 p.m.

A general repair day is set for the Easter holiday depending on weather. Minor repairs to hall, recreation center and skating rink will be made.

Couple Celebrate 45th Anniversary

Mr. and Mrs. Lorenz Stark senior were the guests of honor at a surprise gathering held in their honor at the home of Mr. and Mrs. George Stark on the occasion of their 45th wedding anniversary.

All five children, Ann, Clara, Josie, Lorenz and George, nine grandchildren and other relatives were present.

A lovely turkey supper was served and a beautiful decorated anniversary cake. A family picture was presented to the honored couple.

F.G.A. Trophy Winners

Recipients of awards at last Friday's Fish and Game supper included, from the left, Tom Feschuk, pike trophy; Angela Sowada, trout trophy; and Joe Bartek, membership sales award.

BERRYMOOR NEWS

Get well wishes go out to Everett Van Ember who had the misfortune to break his collar bone.

Get well wishes also to Ken Hildebrand who injured one hand quite badly in an accident with a saw.

Considering all the cold weather and snow that has come our way this winter we are all most envious of Allan Vogel who has gone to Mexico for a holiday.

The W.A. of the Berrymoor Pentecostal Church held their January meeting at the home of Mrs. Isobel Martin on the 19th. Plans were made for a bazaar that will be held in the spring.

Members of the Berrymoor Three B's Club are reminded that their annual meeting is to be held at the home of Susan Roberts on January 30th. Election of officers will also take place at this time. Any ladies wishing to join the club are most welcome.

Gilbert Martin was a district visitor for a couple of days last week. This is his first trip back to Berrymoor since he and his family moved to the Grande Cache area.

Mr. and Mrs. Cy Young and family moved into the house on the Dahlgren farm.

Mr. and Mrs. Donald Martin, their son, Fred and Miss Heather Malin were in Edmonton on Saturday to do some shopping.

A number of district residents took part in a bonspiel at the new curling rink in Breton recently. To date, we have not heard what the results were.

LIBRARY NEWS

My weekend reading included a book by John Herries McCulloch named "North Range". Why the author gave his book this name is not quite clear. It is really an autobiography from the author's early life to his near retirement some forty years later. He tells of leaving Scotland in his early life to make his way in Canada and of his experiences as a farmer, writer, ranch hand and several other jobs to which he turned his hand. Recommended.

For mystery fans "The Shadow Before" by Davies; "Deadly Meeting" by Bemard; "A Risky Way to Kill" by Lockridge; "Margaret Hesitates" by Simenon and "Many Deadly Returnes" by Moyes are all new to us.

Newly arrived and promptly borrowed is Pierre Berton's "The Canadian Dream". So much has been written and said about this book on T.V., further comment is unnecessary.

Club Names Queen Contestant

The third meeting of the Sundance 4-H Beef Club was held on Thursday, January 7th at the home of Mr. and Mrs. L. Hilts.

The club leader, Mr. T. J. Ferrier, informed the meeting that the Valentine Queen Contest and Dance will be held this year in the new Serplex, Spruce Grove. Robin Lyon was elected to represent the club in the contest. Proceeds will again be for the Crippled Children's Camp at Lake Isle.

The members held a discussion on club uniforms, for Achievement Day. It was decided to have a change. A vote was taken and the members decided on light blue shirts, black flare pants, and black stockmen's ties.

Lunch was served following the meeting.

WATERFOWL FOOD PLANTS

Arrowhead and water plantain, easily identified, grow in shallow water or mud. Flowers—white, 3 petaled. On the arrowhead they are medium sized, on a single stalk. On the plantain, tiny and on a many branched stalk. Arrowhead tubes, called duck potatoes, are eaten by diving ducks, which root them from soft mud. Plantain is a good food for geese. They eat the fleshy basal portions.

Artificial Insemination Gaining Popularity

Artificial breeding continues to be one of the livestock breeders most useful tools in his herd improvement programs. Not only can he use superior quality sires, but also a variety of the recently imported "Exotic" breeds which are causing such a stir in the beef cattle industry.

In Canada - 1969, 20% (over 1 million) of our nation's cows were A.I. bred. Bull semen exports totaled 285 thousand vials, of which 238 thousand vials went to the U.S.A.

There were 114 thousand insemenations reported in Alberta in 1969. This is a increase of about 14 thousand services over the previous year.

As compared to the previous year, services to the dairy bulls were down in each respective breed. This general decline in cows bred to dairy bulls is undoubtedly due to our present instable dairy market situation.

Family Stri kes it Rich At Goldmine Bingo

BRETON -- It was highly successful prospecting for the Bohlman family of Westerose at the recent "Goldmine" Bingo held by the Breton Elks Lodge #402 at the Breton Community Centre.

Some claim it is simple to make a strike at a "Goldmine" Bingo--provided you have a system. Others would dispute it. Whatever the system, or lack of it, the Bohlman family have it, for Mrs. Bohlman, Elwood Bohlman and Tom Bohlman (3 time winner) all bingoed at the Goldmine.

Other winners were Donna Hanson (2); Margaret Smith; Elsie Marks; Vivian Van Loosen (3); Mrs. Wollen; Mrs. Kathy Kugyelka; Mrs. K. Roos; Mrs. Mary McGhie; Mrs. Hartley (2); Mr. O. Heightington; Mrs. Hatt (2); Mrs. R. Renus (2); Mrs. R. Murphy; Mrs. E. Craig; Mrs. H. Jackson and Mrs. Judy Stenger.

The number of doubles and triples winners suggests it is quite simple to be a winner at the Breton Elks Goldmine Bingo. Mrs. Leo Bauer of Breton took the $100.00 cash prize money.

Pioneer Celebrates 91st Birthday

Mrs. Ida Siegel, a well known resident of Buck Lake, celebrated her 91st birthday Saturday, January 23rd at the home of her daughter Mr. and Mrs. Peter Kiss, Sr.

Also known as "Grandma" to her many friends and relations, Mrs. Siegel has been in the district since 1912, coming here from the United States.

She still enjoys good health and in the summer and during good weather, lives alone in her little house in the Hamlet, frequently walking from there to the store on the hill.

At times she stays in the Senior Citizens Lodge in Wetaskiwin and at her daughter's home at Buck Lake.

On behalf of the Community we wish Grandma Siegel many more Happy Birthdays.
